Easy Points National and Pro-IT Round 1
09-N-516-S and 09-R-517-S

The Easy Points National Races and the Pro-IT Round 1 Race were held on May 2 & 3, 2009 at New Hampshire Motor Speedway by the New England Region of the Sports Car Club of America (SCCA).

The Easy Points National Races, was SCCA Sanction 09-N-516-S, and the Pro-IT Round 1 Race, was SCCA Sanction 09-R-517-S

The weather was intermittently drizzly and windy on Saturday until the sun came out in the late afternoon. It was overcast and unseasonably cool on Sunday.

Competitors in Group 6 were incorporated into other race groups and Race Group 6 was eliminated. Race groups were 1-2-3-4-5-7-Pro-IT.

Timing and Scoring ran a total crew of 7 both days but staff moved into and out of the specialty to support competitors.

For the National races, two qualifying sessions were held on Saturday. These two sessions were merged using the AMB Orbits Merge feature to produce a final grid. The National races were held on Sunday. These races were 30 laps or 45 min.

For the Pro-IT, one qualifying session was held on Saturday at midday and the Pro-IT race was held at the end of the day on Sunday. This was a timed race of 45 minutes and resulted in the race leader completing 35 laps.

Both Race Group 3 and the Pro-IT had no-start laps. Due to the cars staying on the NASCAR oval and missing the Timing loop on the no-start lap, one lap was added to each competitor.

Special recognition should go to Lenore Panas, NNJ, who was present for all sessions, Connie Introne, NER, who ran the main Orbits computer, and Jan Poor, NER, who ran the backup Orbits computer. Thanks also to Terry Roberts, NER, Peg Dowd, NER, and Chris Patterson, NER.

Very special thanks and appreciation to the NEDiv Timing & Scoring Divisional Administrator, Denise Patten, NER, who repeated stopped by to help resolve issues and to offer suggestions.
