**Northern New Jersey Region of the
Sports Car Club of America**
I Got Your Stimulus Right Here
SCCA Regional Races

The event was held at the 1.53 mile Lime Rock Classic course of the Lime Rock Park race track in Lakeville, CT on 2009-May-30. The Regional Races consisted of eight (8) race groups. The sanction number for the Regional Race is 09-R-595-S.

A qualifying session for each race group in the Regional races was held Saturday morning. Races were held on Saturday afternoon..

The weather was gorgeous. Perfect racing weather. Some sun, not too hot, not too windy.

The races ran close to schedule. The eight Regional races were 18 minutes plus 1 lap as published. This unusual format considered the track position of the leader when 18 minutes of racing had passed. If the leader was before the start/finish line, after 18 minutes, the one lap to go signal was given with that passing. If the leader had just passed the start/finish line prior to the completion of 18 minutes of racing, the one lap to go signal was given with the next passing.

The beautiful weather was exemplified by the clean racing. No full course yellow condition was encountered during any of the eight race groups.

After qualifying, the time cards for group 8 were reviewed and the one SPU car entered in Group 8 was moved to Group 1 for safety issues.

Timing and Scoring ran a crew of 12 on Saturday. We were especially pleased to see the return of Maureen Harris and Joan Olszewski after a long battle with Joan's health.

Special recognition should go to Barb Killmer, NER, who was the distribution chief and kept results posted in an orderly and timely manner, Jim Dykman, NYR, who ran the manual taping and scoring section, Terry Roberts, NER and NNJ, who always produces exceptional manual charts; and Bart Carlevaro NNJ, T&S Equipment Chief who was called away from his duties as Chief of Pit to set up a results computer in Race Control.
