School's Out NERRC & NARRC SCCA Regional Races

The event was held at the 1.53 Mile Lime Rock Classic course of the Lime Rock Park in Lakeville, CT on 20-Jun-09. The Regional Races consisted of eight (8) race groups. The sanction number for the Regional Race is 09-R-639-S.

A qualifying session for each race group in the Regional races was held Saturday morning. Races were run on Saturday afternoon.

The weather was warm and clear in the morning and rainy in the afternoon.

A Drivers School was held on Thursday night and Friday under a separate sanction number and not covered in this book.

This was the first NER race at Lime Rock in 2 years due to the repaving project at the track last season.

Timing & Scoring encountered numerous issues with the wireless network and recommends a wired network for this track such as implemented by NNJ.

The NER timing light was not working and we used a backup timing light at Start/Finish. After a few adjustments, this light worked very well and did not produce extraneous photocell hits from the rooster tails during sessions when it rained.

Two novice drivers did their work requirement in T&S on Saturday.

The races ran close to schedule. The eight (8) Regional races were 15 laps or 20 minutes as scheduled.

Timing and Scoring ran a crew of 7 on Friday for the Driver's School, and 14 on Saturday for the Regional races. Special recognition should go to Nancy Huber, NNJ, who ran the Orbits Hot Track computer; Barb Killmer, NER, Distribution Chief; Jim Dykman, NYR, Manual Taping Chief; Wayne Green, auditor, Debbie Sherman, NYR, charter; and Bart Carlevaro NNJR, T&S Equipment Chief.
