Summer Heat NERRC & NARRC Double Regional
SCCA Regional Races

The event was held at the 1.60 Mile North Chicane and NASCAR Turns 1 & 2 course of the New Hampshire Motor Speedway in Loudon, NH on July 10 & 11, 2010. The Regional Races consisted of 8 race groups. The sanction number for the Regional Races are 10-R-1191-S and 10-R-1192-S.

This event was a double sanction. One qualifying session for each race group was held Saturday morning. Races for the first sanction were run on Saturday morning. For the second sanction, the fast lap from the Saturday Races set the grid for the Qualifying Race on Sunday morning. The results of the Qualifying Races set the grid for the races on Sunday afternoon..

The weather saw Intermittant rain on Saturday. Very hot and humid all weekend.

Due to the difference between the timing ling and Start/Finish no lap records may be set on the first lap.

Competitors in the NERRC and NARRC race series were eligible for three sets of points; Saturday's race, Sunday's qualifying race and Sunday's race. A competitor who only drove on Sunday was eligible for two sets of points. Should a competitor finish the qualifying race on Sunday but not the final race, that would count as a race towards a competitors license requirement.

The races ran close to schedule. The 6 Regional races were 15 laps as published except when the 20 minute time limit was reached

Timing and Scoring ran a crew of 7 on Saturday, , and. 6 Sunday.
