

The H. C. Frick Horseless Carriage Road Rally

is the perfect event for all types of car enthusiasts. Take your sports car, vintage vehicle or daily driver on this 130-mile tour through scenic and surprising back roads from the historic Pantall Hotel in Punxsutawney, Pennsylvania, to the Frick Art & Historical Center in Pittsburgh.

Road rally competitions are almost as old as the automobile itself. Rallyists use written instructions to follow a predetermined course along paved roads at legal speeds. Awards are given for the timed rally in experienced and novice classes, and in the observation-based Games class.

To make this a weekend event, contact the Pantall Hotel, our rally headquarters, which is offering a special rate to overnight guests.

Afternoon registration, local sightseeing and rally school will be open to entrants on Saturday. Meet your competition!
